HEY, DEAR READERS

dEepa Gowda, I'm the founder and creative force behind DEeArtify Studio, a contemporary artisan brand specializing in luxury handcrafted resin art, home décor, and personalised gifting. With a background as a techie turned entrepreneur, Dee launched dEeArtify Studio in 2020, driven by an unwavering passion for modern design, experimentation, and the transformative power of art.

Professional Bio:

I'm multidisciplinary artist and entrepreneur based in Bangalore, renowned for her innovative approach to resin art and the incorporation of unconventional materials such as geode, cement, and semi-precious stones. Combining a keen eye for contemporary aesthetics with technical expertise, Dee crafts exclusive wall art, furnishings, fashion accents, and custom keepsakes designed to elevate interiors and celebrate personal narratives.

Dee has served over clients across India and internationally, collaborating with interior designers and art lovers to deliver statement pieces and luxury commissions. Her portfolio ranges from life-size wall installations and ocean-inspired décor to personalised wedding floral preservation and artisan jewellery.

Featured by prominent media outlets, including LBB and BTV Kannada News, Dee's creative journey is marked by resilience, authenticity, and a commitment to client satisfaction. Dee Gowda is dedicated to pushing the boundaries of resin art while inspiring others to dream big and appreciate the beauty of handcrafted design.

WALL ART

Create a statement of timeless luxury with intricate, life-size resin geode wall art. Each bespoke piece is enriched with real semi-precious stones, including quartz, amethyst, emerald, selenite, and ruby, creating a dramatic fusion of natural beauty, depth, colour, and artisanal craftsmanship for refined interiors.

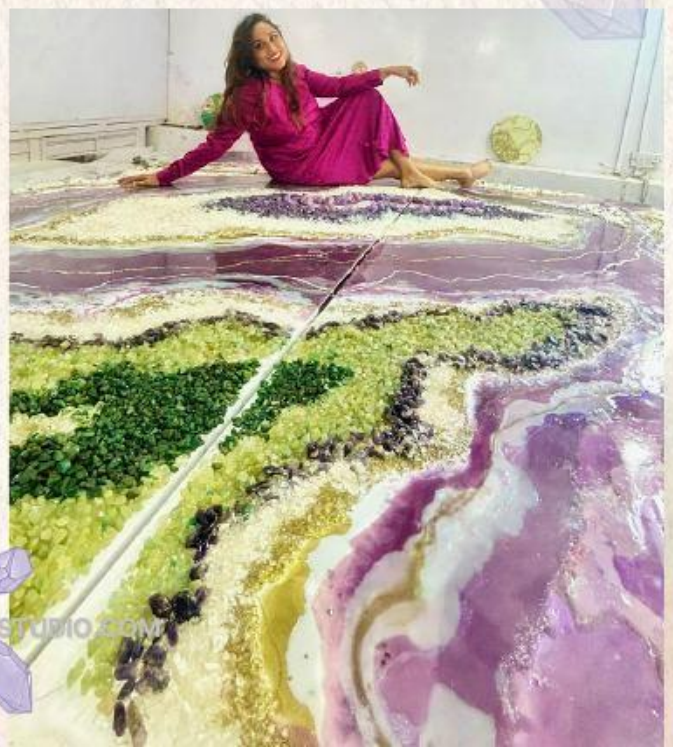

AMETHYST & EMERALD GEODE WALL ART

THE CROWNED GEODE – LUXURY CRYSTAL

A bespoke masterpiece for luxury interiors. A monumental, handcrafted geode wall installation created with natural amethyst and emerald semi-precious stones, designed as a centerpiece for luxury residences and statement interiors. Spanning nearly 10 ft* 8 feet and weighing approximately 200 kg, this artwork is a bold expression of scale, craftsmanship, and material beauty.

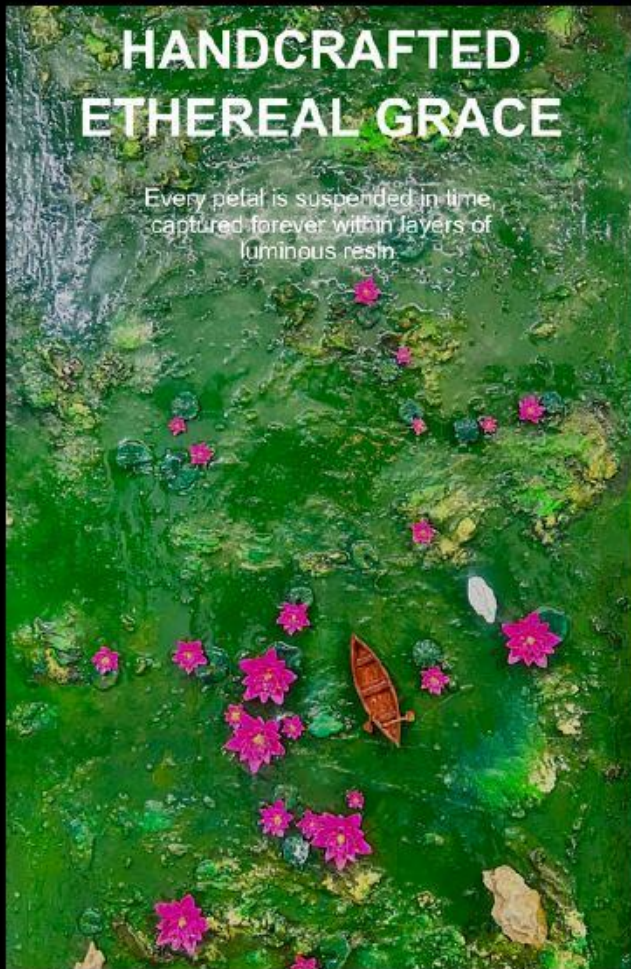

OCEAN THEME RESIN

Explore a captivating collection of ocean-themed 3D artworks, crafted to bring the mystique and serenity of the sea into any space. Perfect for homes, resorts, and beachside interiors, these sculptural pieces add depth, beauty, and a calming coastal atmosphere. The designs can be created as statement wall art or adapted for custom export flooring, bringing artistic ocean-inspired detail to floors and interiors worldwide.

CONTEMPORARY ABSTRACT ART

Discover contemporary, textured, wired mesh art, life-size 3D artwork created to make a striking statement in homes, hotels, and resorts. Versatile in style and rich in depth, each piece brings sculptural character, tactile beauty, and a distinctive artistic presence to modern interiors.

RESIN GEODE MIRROR ART

Discover statement art mirrors featuring intricate geode designs and real semi-precious stones, including amethyst, quartz, and selenite. Crafted to bring a sense of luxury and artistic depth to any space, each mirror is a distinctive centrepiece for homes, fashion stores, and jewellery stores.

FUNCTIONAL ARTISTIC LAMP

FUNCTIONAL ARTISTRY

Bespoke luminaries designed
for those who seek the
extraordinary in every detail.

Discover luxury lamps featuring textured, handcrafted artwork inspired by natural geodes. Each lampshade is enriched with the depth and sparkle of real semi-precious stones, including pyrite, selenite, and amethyst. We also create complete handmade lamps with intricate stonework, transforming functional lighting into distinctive geode-inspired art that brings warmth, character, and elegance to any interior.

FLORAL PRESERVATION

Preserve the beauty and sentiment of your wedding or engagement flowers in handcrafted keepsakes designed to last. From artistic resin blocks and glowing floral lamps to elegant teak wood frames, each piece transforms cherished blooms into a timeless reminder of your special day.

NAME PLATE

Create a lasting first impression with customised nameplates inspired by the beauty of geode art and the ocean. Each piece combines rich mineral textures, flowing coastal colours, and personalised lettering to create a distinctive, elegant accent for any home, office, or entrance.

TRAY COLLECTION

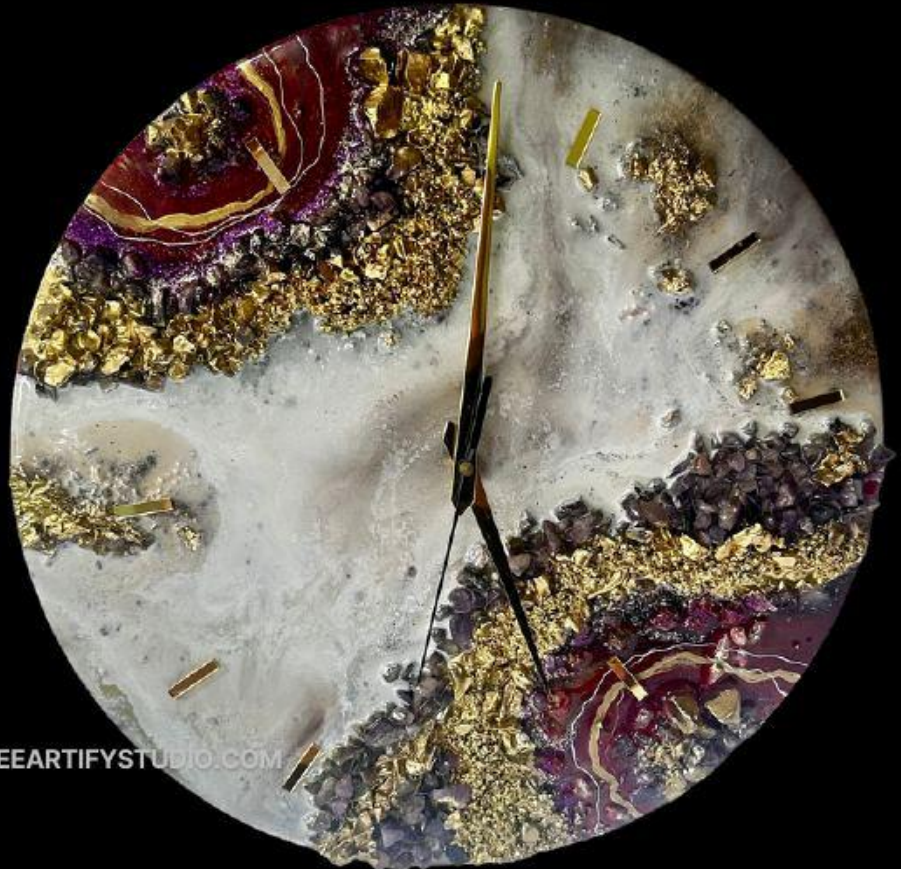

Discover handcrafted trays enriched with the natural beauty of real semi-precious stones, including pyrite, quartz, and amethyst. Elegant wedding florals and delicate abalone shells add a graceful, luminous touch to each design, creating distinctive serving pieces that blend artistry, texture, and timeless sophistication.

CLOCK COLLECTION

Discover handcrafted clocks inspired by the beauty of nature. Ocean-inspired colours, delicate floral details, warm teak wood, and the organic textures of geode art come together in distinctive timepieces that are both functional and artistic. Each clock adds character, warmth, and a touch of natural elegance to any space.
